

CORPORATE PROFILE

THE COMPANY

M.V. ELOHIMEL UNIVERSAL & ENERGY SOLUTION LTD was incorporated on September 17, 2016 for the purpose of giving Niger Delta citizens in particular and Nigerians in general the appetite for huge investment in nonoil exportable products. A platform for exporting value added products to the world with ease, using the world class Onne Port in Rivers State, South South Region of Nigeria.

To attain the above objective, MV Elohimel, in December 2021, successfully secured the approval of a Domestic Export Warehouse (DEW) facility from the Federal Government of Nigeria (FGN), through the Presidential initiative on Nonoil Export Expansion tagged Export Expansion Facility Programme (EEFP) in collaboration with the Nigeria Export Promotions Council (NEPC). The DEW facility, which is less than ten (10) minutes' drive to or from Onne Port, is strategically located at Onne junction, directly opposite Daewoo Company, along the East-West Road, Eleme Local Government Area, Rivers State.

The Nonoil Export ONE-STOP SHOP DELIVERABLES of MV Elohimel's DEW Facility:

- **Receiving Nonoil Exportable Products** from Exporters into DEW at Trailer Park, East-West Road, Eleme LGA, Rivers State.
- **Professional Care and Protection** of the Products while in our facility until readiness for export.
- **Ensuring prompt Inspection, Certification** and Clearance of products destined for export by the FG authorised regulatory agencies, right in the DEW before being moved straight into export terminal at Onne Port for offloading into the ship.
- **Trucking of Products:** With our tracker installed truck, we haul products from factory anywhere in Nigeria to our Domestic Export Warehouse (DEW) facility; from our DEW warehouse to Onne Port.
- **Provision of Turnkey Nonoil Export Advisory Services**

Why MV Elohimel?

- It is **MV ELOHIMEL Universal & Energy Solution LTD** because after a thorough scrutiny and assessment of our capabilities, the FG through the Nigeria Export Promotions Council (NEPC) and the Presidential directive of the Export Expansion Facility Programme (EEFP), approved for us to relief Nonoil Exporters of their export certification and logistics challenges.
- It is **MV ELOHIMEL U&ES LTD** because we are strategically located to ease Nonoil Exporters' burden as:
 - ◇ Our DEW is directly on the East-West Road at Trailer Park, Opposite Daewoo, Eleme LGA, Rivers State; hence the ease to drive in, offload and reload, and drive out to the Onne Port.

- ◇ LOCATION is less than 10 minutes to and from Onne Port.
- ◇ ALL DELIVERY FACILITIES and professional manpower are in place to make your export absolutely stress-free.
